

The Hundred Group
of Finance Directors

Tax Committee

Press Release: 23 March 2011, Budget Announcement

As major contributors to the UK's prosperity and employment, the Hundred Group welcomes the Chancellor's focus on business growth and on the international competitiveness of the UK, including the ongoing reform of the corporate tax system and announced reduction in corporate tax rates. We will review the proposals in today's Budget with interest and will continue to engage constructively on the implementation of today's proposals.
